

Document Checklist

‘CYBERSECURITY MADE IN EUROPE’

1. **Application Form.** The completed and duly signed document shall be sent to the qualified issuing partner together with the following documents.

Application form to be provided by the qualified issuer.

2. **Factsheet About the Company.** The document shall include the declaration of the ownership structure, majority stakes and proof of the majority of R&D activities in Europe.

Free-form or template with a list of requirements to be provided by the qualified issuer.

3. **Declaration of Conformity** with ENISA’s „Indispensable baseline security requirements for the secure ICT products and services“ (including the description for each of the 10 points)¹.

Declaration Form to be provided by the qualified issuer.

4. **CEO Letter**, signed by CEO or any authorised signatory of the company with power of attorney, declaring the correctness of the application form, as well as the **Payment Commitment** for the processing fee for issuing the Label.

CEO Letter and Payment commitment template to be provided by the qualified issuer.

Should you have any questions do not hesitate to contact any confirmed qualified issuer of your choice. The list of partners is available in the Label website, [here](#). You are also welcome to contact ECSO for more information at wq4_secretariat@ecs-org.eu.
